## 2- Aims and Purposes:

Our school's visitation protocol is aligned with distinct aims and purposes, ensuring a purposeful and organized experience for all stakeholders:

### 1- Specific Goal-Oriented Visits:

- Visitors to the school typically have well-defined objectives, including engagements with the accounting office, participation in administrative interviews, or scheduling academic appointments with the educational staff.

### 2- Parental Engagement Sessions:

- At specified intervals, we extend a warm welcome to parents from outside the school, particularly during the initiation phase for the upcoming academic year. This provides parents with the opportunity to explore the school's offerings and witness its capabilities firsthand.

### 3- Corporate Collaborations:

- The school actively invites companies and commercial institutions to showcase and discuss the diverse educational opportunities and offerings available within our institution.

### 4- Ministerial Visits:

- Our commitment to excellence is reflected in our openness to ministerial visits, especially from the Ministry of Education and Higher Education. These visits serve as a testament to our dedication to maintaining strong ties with educational authorities.
